

Behaviour

We are all split into 3 houses which are:

- Priory
- Bayle
- Harbour

We get Dojos points for:

- Good behaviour
- Working well with others
- Showing our Quay values

Our dojos are added up to the house total.

The winning team gets a dip in the prize box and the cup.

Induction

Quay Academy school council interviewed members of staff. They presented to the school.

Every class has made an induction booklet to tell new people information about us.

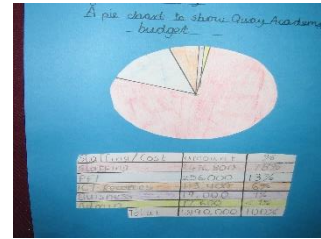

INVESTORS IN PUPILS

Classroom Management

Lots of children have jobs in school:

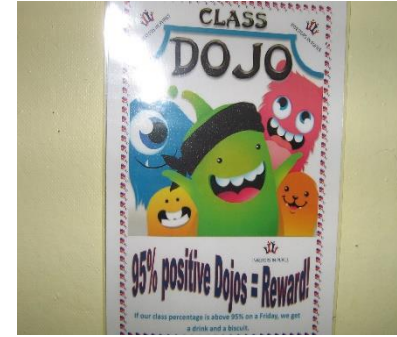

- Composting
- Fruit shop
- Post
- Collecting dojos
- Trolley monitors
- Playground helpers.

Mrs. Saltonstall told us about the school budget. We spend the most money on Staff wages.

Made by JLT, house captains and School Council.

Learning

Attendance

The class that has the highest percentage at the end of the half term wins £50. The class decides how they spend it. If we get 100% attendance for our house we get 100 Dojo points for our team.

Each class has a class target and each pupil have an Individual target. If we achieve the class target we get golden time.
