

WW1 EXPERIENCE DAY

We are delighted to offer our Y6 children the opportunity to take a step back in time and immerse themselves in the sights and sounds of WW1.

The WW1 workshop will allow the children to become fully engaged in the life of World War One. The day will be an incredible learning opportunity for the children and will include the following:

- Performances for the children to watch
- Acting master class
- In-depth factual talks, videos to watch and a chance to handle authentic artefacts
- Participation in basic army drills
- Problem solving activities
- WW1 first aid training
- Trench experiences
- Refreshments

The WW1 Experience Day will be held on **Wednesday 13th February 2019**. On this day, the children may come to school dressed up in **Wartime Fancy Dress**.

Both the staff and pupils are carrying-out fundraising activities to help fund this exciting experience, but we are also asking for a voluntary contribution of **£4 per child** to help this event go ahead. The £4 can be paid through Parent Pay.

Please complete the slip below and return to school by **Friday 8th February 2019**.

Many Thanks –The Year 6 Staff

Please complete and return the slip by **Friday 8th February 2019**.

I would like my child : _____ to participate in the

WW1 Experience Day on Wednesday 13th February 2019.

I have paid a contribution of £4 through Parent Pay
