

Year 6 Parents' meeting

Please join us for a meeting on **Thursday 21st of March at 3:30pm.**

There are lots of exciting things we need to explain as the children embark on their final term of primary school. There will be an Easter Raffle to take part in if you wish!

During the meeting we will be discussing the following :

How to help prepare your child to become 'Secondary Ready'

End of Key Stage 2 tests

Easter School

Enrichment opportunities

Attendance

It is important that your child does not miss school as they will miss vital learning.

Children with excellent attendance from now until the end of term will participate in a treat film afternoon on the last day of term.

We will be watching **War Horse** and having cinema snacks. If you have a problem with the film choice, please contact school.

Quay Academy Year 6 Update

Headlands Visit

Remember the Y6 children will be visiting Headlands tomorrow (15th March) for a writing workshop.

Children need to arrive at school at 8.00 am in order to walk up to Headlands.

If your child is late, they will participate in normal lessons at school.

Please ensure they are wearing school uniform, sensible shoes and have a waterproof coat.

Bake Sale

Due to the popularity of the bake sale, we will be holding another bake sale after school on **Monday 1st April 2019.**

Any delicious donations will be greatly received.

We will send a text out as a reminder nearer the time!
