

# Quay News

Friday, 10<sup>th</sup> February 2017  
*Value of the Month: Co-operation*

Welcome to this week's newsletter. If you have any questions or concerns, please see me or Mrs Broadhead on the playground or ask at the Office. Mrs Lawton.

## **Attendance**

Well done to all our children and families who have improved their attendance in the last 5 weeks. However, our attendance was still below 96% last week. If a child's sibling is poorly, the parent still has a "duty of care" for the other children to come to school. If you have any problems/queries with attendance, please contact the office or Mrs Ridsdale on 07842279079

## **Valentine's Disco**

Please make sure you have ordered your tickets for the Valentine's Disco next week: Wednesday 15<sup>th</sup> February. Tickets will be given out on the day

## **Clubs**

After listening to your views from the Parent Survey, we have arranged 7 more clubs to start after February half term-please see next week's newsletter for further details

## **Year 1 Rocket Building**

Thank you to all the parents and carers who came into Year 1 yesterday and helped make rockets with the children as part of their Space topic. Mrs Pennick and Miss Milner agreed that it was a wonderful turnout of parents, who the children thoroughly enjoyed working alongside, and there were some fabulous rockets made. Don't worry if you missed out, we will be doing this again after Easter and all Year groups will be inviting parents in to Stay and Learn with us!

## **Writing Week**

Next Friday we will be opening the doors early at 2.45pm inviting you all in to come and read the fantastic writing on offer at Quay Academy. The writing will be linked to a Creation Story where the children have been learning about Diversity and British Values. We look forward to seeing you there!

## **Fantastic Behaviour**

Well done to Kuba and Greg from Sealion class! What fantastic role models for our School! The boys were selected to have lunch with myself and Mrs Broadhead so we could find out more about themselves and life in Year 5. We heard about the fantastic friendships within Year 5 as well as the learning that is happening in there! I was able to observe some well rehearsed and confident performance poetry pieces this week too. Well done Year 5!

## **Parents' Evening- Wednesday 1<sup>st</sup> March**

Thank you to those parents who have returned the parents' evening slips. Myself and Mrs Broadhead will be available in the Library should you wish to meet us or speak to us about anything! Mrs Leng will also be available to speak to you about E Safety including Social Media issues and how to keep our children safe online.
