VALUE OF THE MONTH: RESPECT

Welcome to this week's newsletter. Please come and see me on the playground or make an appointment if you would like to come and talk to me about anything! As you may have seen, the teaching staff are now available on the playground after school most days should you wish to speak to them too.

Mrs Lawton

Attendance Rewards

Classes with the highest attendance will be given some money each week. At the end of every half term, they can use it to buy their class a treat! Medical appointments taken during school time will not affect a child's attendance. Children who are sent home poorly will also not affect the class's attendance. I know that if your child is really ill and poorly it would be unfair to make them think they are letting their class down! This is just another way for the children to be rewarded for coming to school.

After School Clubs

Wow! 129 children are accessing after school clubs!
That is fantastic.

Attendance

Attendance was 95% last week- Well done everyone.

Thank you

Thank you to all the parents and children who came to say good bye to Mrs Saltonstall in the Office. I know she was absolutely overwhelmed by the response from everybody and I know that she got the send-off she deserves.

Road Safety

I am currently waiting to hear back from our PCSO to arrange 3 Road Safety Assemblies. I am aware there have been 2 incidents this week where children from our school have been playing "Chicken Run" and scooting on the road. Please remind your children that this is absolutely **NOT** safe.

Community Spirit!

Yet again it has come to my attention that there is negativity from parents about myself and the school on Social Media.

I am not sure why you would want to publically shame the school your child attends. I can assure you that the behaviour has improved in the school from 12 months ago, more staff are now available to speak to and there are significantly more enrichment opportunities and clubs available for your children.

This school can only be the very best if the staff, children and parents are all working towards the same goal.

Thank you to all of the parents who are supportive.

Thank you to all the parents who do come in to school and speak about issues so that we can resolve them.

New faces in the Office

I can now officially welcome two new faces to our Quay Family. Mrs Sally Ellis is our new, full time Senior Administrator and Mrs Claire Rollinson, whose face you may recognise from the parent playground, is our new Admin Officer, working Monday to Wednesday to share with Mrs Garnett.
